GREETINGS

We being garments exporter and sourcing company in Bangladesh having 6-8 Knit/Woven associate factories and a shareholder of a Knit Manufacturer unit which have the capability and capacity to deliver Apparels all over the world.

COMPANY INTRODUCTION

BONAMI BD Established in 2009 is working as an exporter and sourcing company with more than 20 years of experience in garments industry. To maintain a good medium exchange of communication to our international buyers we take it into consideration that all our people can communicate and be able to deliver in a proper way the information needed by customers to avoid misunderstanding and ambiguity. Our experienced merchandisers and quality assurance/control team are playing the rule to ensure the qualities of the product are as per buyers AQL. Our manufacturing units are certified with BSCI, Oekotex and Sedex .We always keep the standard of REACH and others norms in every stage of our production .

Our main concern is to make sure that the product purchased and released for shipment conforms with the buyers requirements. Some of our major activities are to make sure of the quality control of raw materials including accessories, care labels, printings and fabric and ensuring competitive prices. To provide total customer satisfaction by providing buyers a range of good quality garments and services at a very reasonable cost is our main objective.

We are always ready to take the challenge of buyer's demand for all sort of high quality garments as per buyer's requirement. We welcome customers from all over the world, and in return allow us to prove that **BONAMI BD** can be your best sourcing company.

We always keep our promises to keep a good and long term business relationship to our customers all over the world.

SERVICES

BONAMI BD is able to handle all types of Casual, Promotional, Work wear & Fashion wear having composition of 100% Organic Cotton, 10% recycled Polyester, Viscose, Modal, Cotton/spandex, cotton –polyester mix and so many fabrics from local and imports .

We also conduct final inspection on behalf of the buyer.

SUPPLIER CREDIBILITY

Ensure the quality, desired weight, construction and color etc. we evaluate the capacity and capability of every factory. We also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reach the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.

FOLLOW UP

Upon placement of orders, we check right away and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery.

We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.

SAMPLING We provide FREE sample after placement of order as per customer requirement step to step

Proto / Styling sample

Fitting/Size set sample

Pre-production sample

Production sample

QUALITY CONTROL / ASSURANCE

Our Quality Controllers visit the factory with regular intervals to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instructions of the buyer are respected.

SHIPMENT/CARGO HANDLING

All shipping documents are reviewed and verified as to buyer's instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer.

FACTORY SELECTION

Selection of factory is an important factor in garments merchandising. This task should be perfectly handled, otherwise it will be too tough to respect the shipment date of a garment export order. So, during factory selection we follow some key factors as below :

1. Factory design
2. Factory equipment & machinery
3. Factory productivity
4. Prevalent working procedures
5. Factory past performance
6. Technical competency
7. Factory personnel competency
8. Financial performance
9. Factory reputation
10. Level of professionalism
11. Legal papers
12. Legal certificate (BSCI, OEKOTEX , SEDEX and others)
